Memorandum of Understanding
February 8, 2019

RUSD and RCTA agree to a change in the middle school schedule for the 2019-20 school year to provide additional learning opportunities for students.

- The SSR/intervention/enrichment/instruction block of time will be at the end of the day (Period 7).
- Period 7 will be 32 minutes on Monday, Tuesday, Thursday and Friday and will be used for purposes consistent with current contract language, Article X, Section 1 F.
- On Wednesdays, teachers can volunteer to offer their Period 7 for 54 minutes after the end of the instructional collaboration day, and they will receive additional compensation at the hourly rate of pay on the Extended Day Salary Schedule.
- If teachers choose not to offer Period 7 on Wednesday after school, they will use the 54 minutes for teacher preparation time and will not receive additional compensation.
- On Wednesday, after Period 7, all teachers will have 60 minutes of collaboration time.
- $2,000 per middle school site will be provided for clerical support and instructional materials.
- The IBB team will assess this change at the end of the 2019-20 school year.
